

Thesis registration

Thesis registration is possible in

- Bachelor 100%: at least 120 LP (BPO §16,2)
- Bachelor 50%: at least 58 LP in mathematics and at least 30 LP in the second major subject (BPO §16,2)
- Master: at least 45 LP (MPO §16,2)

- Fill out the registration form together with your supervisor
<https://www.mathinf.uni-heidelberg.de/de/downloadbereich/formulare-studium>
- Please submit the registration form to the Examination Office (in person or by email), write READABLY or fill it out on the computer.
- The registration will be visible in heiCO after it has been entered ('My Achievements').

Submission of the thesis

In future, theses may only be submitted electronically as PDF files.

The deadlines specified in the registration form are binding.

Please submit the PDF of your thesis to the Examination Office (pruefungen.mathematik@mathinf.uni-heidelberg.de) by the deadline. The Examination Office will forward the thesis to your supervisor.

The declaration of independence must be included in the thesis AND submitted on a separate sheet of paper with your handwritten signature to the Examination Office within 7 days. A template can be found on the website under Download area > Forms.

Below you will find a sample title page for a bachelor's or master's thesis.

NO LOGOS ARE ALLOWED ON THE FRONT PAGE, NOT EVEN THAT OF THE UNIVERSITY!
